Table of Contents for Chapter 2

Pulse Trains and The Fourier Series Connection

14. The Spectrum of a Pulse Train.
    Note on extent of x(pulse).

15. Connection with traditional Fourier Series

16. Fourier Series for a positive square wave pulse train.

17. More about positive square wave pulse trains.
    Figure 17.1: sinc(x) and 1/x
    Figure 17.2: sinc(x) spikes

18. Non-positive pulse trains.

19. Biphase pulse and pulsetrain.
